THANK YOU

We know that your leadership level of giving not only played a large part in that, but also helped United Way to continue addressing critical needs in our community.

Thank you for your part in creating opportunities for our friends, families and neighbors to focus on the building blocks of a good life - a quality education that leads to a stable job, enough income to support a family through retirement and lifelong health.

Today, thousands of people can make their dream a healthy, stable and meaningful life a reality. Thank you for choosing LIVE UNITED.

As Marquis Society members write new pages in our philanthropic history, the United Way of Cumberland County has proven historical leadership in mobilizing resources for over 75 years.

Our local United Way began on April 13, 1939, when representatives of seven agencies met to lay the foundation for a Community Chest in Fayetteville. They were motivated by a “spontaneous demand on the part of the citizens for an organization to combine drives for all worthy purposes in one big campaign,” according to a news report in The Fayetteville Observer.

The spirit that initiated that beginning still lives and thrives in the organization that now raises nearly \$2M annually for local health and human services in Cumberland County.
