*United Way of Cumberland County salutes
our leadership givers for their personal
investment in the future of our community.*

THANK YOU FOR YOUR GENEROSITY

On behalf of The Marquis Society, we want to thank you for your generous contribution. Your leadership gift to the United Way of Cumberland County positively affects the lives of thousands of people in our community.

We all have a stake in what befalls our neighbors. We all benefit when a child succeeds in school, when someone finds a job that will help them provide for their family, or when more people are able to access quality, affordable healthcare. United Way of Cumberland County strives to improve the quality of lives in Cumberland County by addressing critical human needs. YOUR support helps us make a difference in OUR community.

We rise or fall together. With your support, we are reaching for great new heights. Your leadership gift exemplifies the spirit of altruism for which our community is known. We thank you for your choice to give freely to aid those in need and for choosing to LIVE UNITED.

As Marquis Society members write new pages in our philanthropic history, the United Way of Cumberland County has proven historical leadership in mobilizing resources for over 80 years.

Our local United Way began on April 13, 1939, when representatives of seven agencies met to lay the foundation for a Community Chest in Fayetteville. They were motivated by a “spontaneous demand on the part of the citizens for an organization to combine drives for all worthy purposes in one big campaign,” according to a news report in *The Fayetteville Observer*.

The spirit that initiated that beginning still lives and thrives in the organization that raises funds and awareness for local health and human services in Cumberland County.
